

What types of vehicle donation will ISP accept? Car, Truck, Boat, and RV donations.

A car donation is very important to charities like ISP. The gift of a car donation can help the charity raise revenue. We help you donate cars. Do your part to donate cars unwanted or unused by yourself for others' assistance and we bet you will feel good about yourself, too. Besides an auto donation, we also accept:

- Truck Donation
- Van Donation
- Airplane Donation
- Motorcycle Donation
- RV Donation
- Boat Donation
- Trailer Donation
- Real Estate
- Lots

Have you tried selling your vehicle lately? What a hassle! Why not donate your used car and receive a nice IRS tax deduction instead! Use your auto donation as a charity benefit and vehicle donation tax write-off.

Per current IRS guidelines, if your donated vehicle/vessel sells for under \$500 the receipt you receive at the time the vehicle is picked up is all you need for filing your taxes. If your donation sells for over \$500 you will be provided with a supplemental receipt showing the sale price and may write off as a deduction an amount up to the sale price.
